

The Emerging Antichrist World Order.

Part Two.

# Fallen Angels

Revelation 12:7

## **The devil, Satan himself and his angels come to earth.**

This means that He is cast to the earth and will be more and more in charge of it until the moment of His removal by the coming of the Lord Jesus.

Our world will also be populated in the near future by fallen angels who want to mingle with the human race, among our lives, and with our lives. Their arrival will shock the whole world. Read in this article why, the origin and what to do or better, what not to.

The coming of the fallen angels is part of God's judgments on the sins of the world. Their coming and the blending of these beings with the human race is also prophesied in Nebuchadnezzar's dream, *Daniel 2:42-43*. *That you've seen iron mixed with muddy clay, they'll mix with human seed*. The mixing with the human race is nothing new, for it also happened in the days of Noah, as described in. Genesis 6.

It was one of the reasons for the flood. And we are made aware of it in the Bible because it tells about Enoch. It is also the time just before the return of the Lord Jesus.

Their arrival is also mentioned in the Bible in. Joel 2.2. Also in Jude 1:6 and in the book of Enoch, the Lord mentions these angels and *the abandonment of their original state*, for they were angels of God, they have apostatized and together with Lucifer they have become rebellious against God. In Noah's time, they did horrible things that will come back now. They have been banished from Heaven for the time of mankind. Together with Satan, they ruled the earth. After all, it was the serpent, Satan, who tempted Eve and Adam to sin.

The serpent is one of the symbols by which Satan is referred to in the Bible. Once upon a time, Satan himself was an angel of light. The false light that is now in the world and sometimes masquerades as light. He pretends to be an angel of light. *2 Corinthians 11:14*. He has deceived many by his appearance and miracles. He cannot create anything of his own accord, only copy it, because he knows the Scriptures. Satan is the great deceiver, father of lies, and murderer of men.

From Genesis 6 we know that angels can mix with humans, for example the giants in the time of Noah who were still alive in the time of the Old Testament. These giants are also coming back.

Many skulls and skeletons of giants have been found. Also in America and Afghanistan to name just a few places. They are called the nephilim and exist in many guises. These creatures are also coming back. They are not "gods" but unholy creations and not of God. They are satanic creations, there is nothing positive or sacred to be found in them. Satan has spread his seed over the earth in this way. These angels and other creations are not favorable to humanity. The flood has taken away all material bodies, but in the spiritual world they still exist awaiting judgment. Until then, they will be given room to rule again.

Once upon a time, the dwelling place of the fallen angels was heaven. They come like the dawn, the time before the sun rises, the weather will change by then, it will get dark. In Revelation 6:14 and Luke 21:26 it is spoken of the retreat from heaven, This is what I call the protective hand of God, the grace of God, who always made sure that this boundary would not disappear completely.

The grace that still protected us in part has been phased out and we fall under the judgment where no sin is accepted anymore. It is described in Revelation 14:14. The grain harvest and the wine harvest. We live in the time of swift judgment, the wine harvest is the harvest of souls who do not make this time but are blessed and live holy lives, the other souls who are called souls who are still living in sin they can be taken away while they are living in sin. It is the Lord Jesus who is mentioned in Revelation and goes about with the sickle.

It is the grace and will of God that things should not get completely out of hand on earth. It is the prophecy of the end time that the world will be completely surrendered, for a short time, to Satan, the prince of this world. It is so determined and provided by the forsaking of God of mankind.

And we'll live in this world. There is no room for compromise in this world. For the light cannot mingle with the darkness. *2 Corinthians 6:14*. Even the most devout Christian can err and be tempted into compromise today. Bible knowledge, self-control, and discernment are characteristics of the Holy Spirit. Your helper now and in the time to come.

Let the Bible be the yardstick by which you measure your life today, and be faithful to the Lord Jesus. Because without Him we will not start anything, His light will continue to shine, a beacon in which people are safe.

It is the will, and the grace of God, that keeps the worlds of evil and ours more or less separated on earth. When heaven recedes, the forces from the other worlds gain access to ours in Luke 21:26, and in *Isaiah 13:13* we read very clearly that it is God himself who will shake the earth, then the other world will gain access to our world. Our world is being rolled up like a cloak and will be changed. *Hebrews 1:10-12*. The climate will change as a result. We are passing from grace to a world of darkness. Sometimes you hear talk of a demonic invasion that will befall the earth, that is true and this is the reason. People suddenly get to see things that they couldn't see before because it didn't manifest itself publicly. Perhaps many still come to faith today and save their souls with it. Everything

All these events are also an indication that the return of the Lord Jesus is near, for he has said that the time when He will return will be as in the days of Noah. These days or this age will resemble the days as it was in Sodom and Gomorrah, with all the demonic phenomena that go with it, as it was at that time.

Because of the rebellion against God, Satan, the dragon, has been cast out of heaven and into earth, along with a third of all angels. Revelation 12:7-17. They cannot return and remain on earth until the day of judgment. It is also written about in revelation 12, Michael fights and casts Satan out of heaven and on earth. The last station of his. Here we are talking about the red dragon, not China or a myth but Satan himself, who is cast out of heaven with a third of all (fallen) angels. In these kinds of circumstances, the antichrist comes to power or on the scene with miracles and signs in the sky. Much of this is already being observed. We have been alerted to it in the Bible. The Lord Jesus prophesied of the coming of Satan in Luke 10

and Revelation 12. A proof that there are also bad angels is discussed in *Matthew 25:41*. *Depart from me cursed ones into the eternal fire, which is destined for the devil and his angels.* The Saints Will Judge Angels *1 Corinthians "Do you not know that we angels shall judge?"*

In the end, the Lord Jesus overcomes him, as we read in Revelation 20. There is a prophecy about revelation 20 in *Jeremiah 14:12*. *"How you have fallen from heaven, morning star, son of the dawn! You lie slain on the earth, conqueror over the heath peoples. And you said in your heart, I will ascend to heaven above the stars of God. .... That's good to know, that He has less power than Jesus but more than men. Except*

those who walk in the authority of Christ, Luke 10:17-19. With the Holy Spirit and the Lord Jesus as protector in obedience to him.

This is certainly not possible due to self-strength. Satan has been cast out of heaven onto the earth, which is why things are the way they are now. Many are lost because repentance and sin are no longer spoken of. And with that comes the judgments about the world. While God wants to forgive everyone. Forgiveness and obedience go hand in hand, without obedience to the word of God, faith is worthless, it is powerless.

Humanity as a whole, now on earth, does have to deal with its angels. God does not solve this for us, but wants us to play a role in it ourselves through a strong faith, and to fight the spiritual battle through prayer, for example.

To be able to withstand everything that comes across the earth, not to be lost in the chaos and still fall for the pressure. We are also warned of this in 2 Thessalonians 2-9 at and before the coming of the abomination of desolation that there will be many wonders and signs in the heavens. And that many people are lost to his coming, partly because of the coming of the fallen angels and the judgments of God.

*Him whose coming is according to the working of Satan, with all kinds of power, signs and wonders of lies, and with all kinds of deception of iniquity in those who perish, because they have not accepted the love of the truth in order to be saved. And therefore God will send them a powerful error, so that they will believe the lie. That they may be condemned all those who have not believed the truth, but have taken delight in iniquity. 2 Thessalonians 2:9-12.*

## **Signs in the sky.**

One of the indications that these angels will appear is the formation of unusually "beautiful" or "of a new kind" skies in shades of red and the Northern Lights in places where they do not normally occur. Currently you are seeing these skies appear all over the world.

They are presented to the world as aliens, from other galaxies they would come, far away but in reality they are close. They come with new technologies and other temptations. As saviors of humanity. Masters who sent us humans to a

To take them to a higher level or even to better worlds. Many will believe it, through fear, religious belief, New Age theories and unbelief. They appear to you what you long for inwardly. That's the short explanation. Sometimes as aliens and sometimes as great white angels in the sky. At the moment, miracles in the sky are already being seen in other parts of the world, angelic figures, etc. In the Netherlands we mainly see beautiful red skies appearing.

People who wait for the Lord Jesus know that this has nothing to do with him, they are deceptions. The Lord Jesus does not come with false signs, but on the clouds with fire. Luke 17:21-30. All other signs that supposedly exist and are yet to come are from the deceiver and are demonic in nature. For our lord comes like lightning from the east.

*"For as the lightning comes from the east and is visible to the west, so also will the coming of the Son of man be. Matthew 24:28"*

### No Angels

However, they do not resemble angels, the word angel may give the impression that they would still have something good in them, which is not so. When these ships are seen all over the world, a huge chaos will break out and people's hearts will stop at the sight of these creatures. *Luke 21:26*. And because the separation between the worlds disappears, as previously written, everyone will begin to see the beings who are locked up in the other worlds.

They also have the ability to impersonate whoever they want. For example, in deceased loved ones, these so-called loved ones are in reality evil beings, workers of satan and always demonic in nature. Think of the gods from Egypt and the figures from Greek mythology. Which is actually a description of Noah's time when it comes to a horse with a man's head, for example. etc.

### **Explanation of the appearance of the deceased.**

When we die, we are no longer in the earthly sphere and do not return to earth. We are in a place called Hades, the vestibule of heaven, paradise (Luke 23:43), or hell, awaiting appearance before the Lord Jesus on the day of judgment or before believers on the day when the crowns of life are distributed *Revelation 22:12 And behold, I am coming quickly, and My*

*reward is with Me to repay to every one as his Work shall be* and partakers of the first resurrection, Revelation 20:11-15. A glorious future, forever with the Lord Jesus.

In anticipation of the resurrection with the Lord Jesus or the second death, hell, a terrible future. Hell is often spoken of in the Bible, as a warning and not as a judgment or means of pressure, it is part of the gospel, and partly because of this the gospel is also preached so that it will not be lost forever. We are also warned about what is to come because God wants everyone to come to the truth, out of love and because the path is so narrow as evidenced by the above coming of the fallen angels. A description of what it is like and where you are is in Luke 16:23-24. You can also read here that a return is not possible after death, not to earth and not from hell to heaven and vice versa once the judgment has been pronounced.

*Revelation 1:18. I am the first, and the last, and the living, and I have been dead, and, behold, I am alive forever and ever. Amen. And I have the keys to the realm of death and of death itself.*

Our lives here determine where we go and spend the future. A few more Scriptures about hell. Matthew 5:22 Matthew 18:9.

*The description in Luke continues in revelation where it speaks of our*

*Future with the Lord Jesus and the resurrection with him. Hades is the vestibule, and the resurrection becomes the rapture into heaven. The mystery of the resurrection of the "dead" is told at 1 Thessalonians 4:13-18. And Corinthians 15:51-52 That's a hopeful message.*

It is a message for those who will persevere in the times to come. Others rise at the first resurrection, Revelation 20:4. So it is important to be present at the first resurrection. People who are lost are left behind in a terrible place from which, as I have said, there is no way back.

People who engage with the beings who come to earth in any way go to the same destination as the fallen ones, the false prophet and Satan himself, their destination is hell, at the end of the reign of Satan, the antichrist and the false prophet. They come as "friends" but are after your soul. It is not God's desire that you suffer the same fate, but we have been warned not to meddle in the things of the world and not to be friends with the things of the world. James 4:4-10. 2 Corinthians 6:14. Revelation 8. If we love the world, we love things of satan and therefore we are adulterers.

If we have been transferred by the Lord Jesus, then the morality of the world does not fit in with that. It is a notice to get out of the world. There is no darkness to be found with God, for He is holy. 1 Peter 1:14-20. In Ephesians 5:11 it is stated very clearly.

*" And do not take part in the unfruitful works of darkness, but rather expose them."*

People who think that there are masters from the cosmos or that they come from a place other than the earth, etc., run the risk of being taken away by these beings. Many expect others than Jesus to be saved or to escape from the things to come. There is no respect for the fact that they were created by God and are here at this time other than to return to God through His son. The earth is the only place for this and also the only place where souls created by God

live. God is the creator of our souls. It is a form of pride to think this way about who created you, and therefore a sin.

There is much more to tell about these creatures and their appearance. In the meantime, you can read more about their origins and their punishment in the Book of Enoch.

## What can we do....

It's going to be hard in the last days, the end time, without the Holy Spirit, to survive or not fall for all the deception, to have discernment, which the Holy Spirit gives, because He has the deception dangers, and other things that we know with them.

Our human intellect or spirit cannot interpret, or be able to find. The deception is already going on, religion plays a role in this and also the spirit of the antichrist who came to earth when the Lord Jesus ascended to heaven and has been active here for two thousand years. *John 14:30 For the prince of this world comes, and has no power over me.*

If there is no love for God's word and no prayer life, then perhaps this is the time to start. Everything begins with your conversion and the indwelling of the Holy Ghost. *Now may the God of hope fill you with all joy and peace in believing, that you may abound in hope by the power of the Holy Spirit Rom 5:13.*

The spiritual armor mentioned in Ephesians 6 is an important part of spiritual resilience to be strengthened in the Lord and in the strength of His power. Paul's prayers are a good help to draw closer to God and to open your heart further to Him.

*Ephesians 6:13. Therefore, take on all the armor of God, that you may be able to resist in the day of evil, and after having done everything, stand your ground...*

*Also read John 14-18.*

## **There are a number of threats to the individual believer in the end times:**

A demonic invasion and no or inner strength and knowledge of the word. To take refuge in men instead of in the Lord Jesus. No authority in Christ, not recognizing that being born again brings this. Are you near or far from the Lord Jesus? Faith is obedience to the word and works that stir up the Spirit of Christ in you.

Knowledge and also work, but no work on yourself and on the relationship with Jesus. If the announcement comes about contact with the aliens, you will know what time it is and where to flee to. Don't let your heart fail.

Let go of things that bother you and ask the Lord Jesus for help if necessary. If you haven't repented yet, that's where your salvation begins. In the end times, Bible knowledge is indispensable to know what God requires of us in order to live holy lives. Ephesians 1:4 and to be born again Matthew 19:28.

*Crawl through the eye of the needle: Luke 18:18-27. Matthew 16:26. And fight the good fight of faith 1 Timothy 6:12.*

I wish you much discernment and blessing. This story will not land immediately with everyone, but the time will come when it will be revealed, more and more stories will appear in the media, including in the Dutch one. You're prepared.

### Update.

In the meantime (December 21, 2023), more and more reports are appearing in the media about the northern lights in the Netherlands and abroad. It is a sign in the sky, a sign that could be classified as false miracles and signs as described in the Bible and announcing the coming of the antichrist. *Him whose coming is according to the working of Satan. With all kinds of power, signs and wonders of the lie. 2 Thessalonians 2:9.*

Not all the signs we will see of Satan in the coming years, for the coming of the Lord Jesus is also accompanied by miracles and signs in the sky. Satan is an impersonator, a liar, and deceives the whole world. Fortunately, the believer has the Holy Spirit as a helper to discern these things. So read your Bible! Put your Bible next to your life and see if you are still in the faith, test whether you are still living according to God's word.

A website where you can find more information about the fallen angels and our changing world is <https://the-masters-voice.com/> .

For encouragement, I would like to add that nothing can keep us from the love of Christ. Provided we don't fall for the temptations of the enemy and live a holy life. Hence this article and all the others. What God wants, not for anyone to perish. We are already seeing a tremendous increase in ungodly, or rather unholy, things and events coming our way, a sign of the times. Therefore, be encouraged by the word of God and your relationship with the Lord Jesus.

*Who will separate us from the love of Christ? Tribulation, or distress, or persecution, or famine, or nakedness, or danger, or sword? Romans 8:35*
